

# 2" OVERFILL LIMITER

DIESEL  
HEATING OIL

- Suitable with clean diesel, biodiesel B30 or heating oil.
- **For plastic tanks.** Fits in place of the 2" BSPP fill nipple (AOFILL.P).
- **For steel tanks.** Screws into a 2" BSPP full socket (AOFILL.M).
- Helps prevent above ground storage tanks being overfilled.
- Aluminium body. **Only 150mm of tank space lost.**
- Each valve is tested to EN13616:2004.

Stk Code	Description	Min Flow	Max Flow	Min Pressure	Max Pressure
<b>AOFILL.P</b>	<b>Plastic tank 2" limiter</b>	23L/min	580L/min	2.17psi (0.15 bar)	116psi (8 bar)
<b>AOFILL.M</b>	<b>Steel tank 2" limiter</b>	23L/min	580L/min	2.17psi (0.15 bar)	116psi (8 bar)
